

70mm² Flexible Silicone Rubber Cable

600 Volts. Rated for -50°C to 260°C. Sizes 70 mm
Good Quality, Good Flexible, High Temperature
Tinned Copper

70mm Flexible Silicone Rubber Cable

Introduction and application for the Silicone Rubber Cable

This product is suitable for as connection cable of fixed laying down power transmission line or movable electric equipment with 0.6/1kv of AC rated voltage or below.

It features heat radiation resistant, cold resistant, acid and alkali resistant, corrosive gases resistant, waterproof and so on, flexible cable structure, constant electric performance at the environment of high temperature (high and cold), outstanding anti-ageing performance, long life...

It is wide used for many industries such as metallurgy, electric power, petrochemical, electronic and automobile manufacturing, etc.

Product standard: Enterprise standard

The test of fire retardant and fireproof characteristic should be carried out in accordance with GB/t18830.3-2001, GB/t19216.21-2003.

Operating characteristics

1, the rated voltage: U₀/u 0.6/1kv

Max. Operating temperature: 180° C

Min. Ambient temperature: -60° C

2, laying temperature of cable not less than -25° C

3, permissible bending radius of cable: Min. 10 times of diameter.

Our Service

Q: Why choose ZW-Cable? Any advantages?

A: The answer is Yes. There are 5 advantages.

(1) MUTUAL BENEFIT: Our offer will be reasonable, our price will be cheaper in the same quality.

(2) CUSTOMIZE: We can make the product as your request, Specification and Quality can meet your request.

(3) OEM: (1)Printing your Logo. (2)Designing your packing.

(4) MIX ORDER: We accept mix order, different model and small quantity order.

(5) AFTER SERVICE: 1 Years Guarantee.

Q: Can I order one piece for sample to test the quality?

A: Yes, We recommend to check the sample before order.

Q: If I want cheaper quality, can you produce?

A: Yes, just send us your quality details, such as the material, what cheaper parts instead etc, we will do that as your request and calculate the price.

Q: If I order big quantity, what's the good price?

A: Please send the details enquiry to us, such as the Item Number, Quantity for each item, Quality request, Logo, Payment Terms, Transport method, Discharge place etc. We will make the accurate quotation to you as soon as possible.

FAQ

1, What's the MOQ?

One roll. 100M/200M/300M/305M/500M/Roll.

2, How to get the samples?

We have most of the commonly used samples in Stock.

We can offer the free samples immediately.

3, What's the payment terms?

TT, LC, DP, Western Union and Paypal are available.

4, What's the delivery date?

Most of the commonly used products are in Stock. We can arrange it within one day.

We will arrange the delivery date as your requirement while the Bulk Production.

5.Are you a trade company or a manufacturer?

A: We are an ISO, CCC, CQC approved manufacturer specialized in Rubber Cable, Solar Cable, Power Cable Manufacturers, Silicone Rubber Cable OEM & ODM service are available.
